Meetings are held on the first Monday of the month at 1:00 or 6:30 pm, date exceptions noted on the reading list.

The list also includes information on current ebook and audio availability on Hoopla, the library's digital steaming service (subject to change).

Discussions are facilitated by group members who volunteer to do so a month prior and will receive a print copy of the book as well as background materials to aid in their preparation. Meetings generally last approximately one hour.

Regarding title access, physical print copies will be procured from other libraries a month or so in advance; simply ask at our circulation desk and an attendant will happily check items to your card. There will be audio cds and large print formats in addition to regular print copies whenever possible.
